Sacar el papel

Sacar el papel

Repetir 53-55 simétricamente

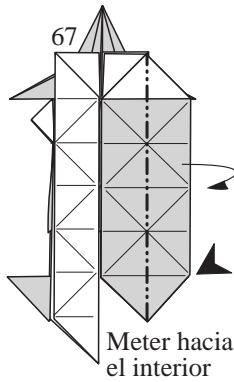

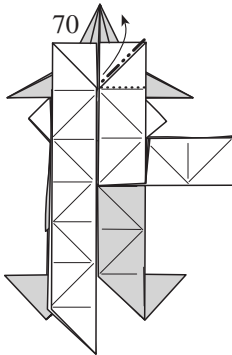

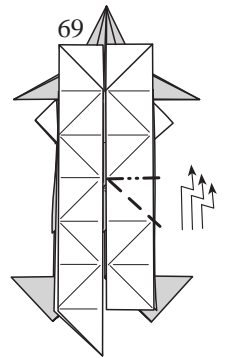

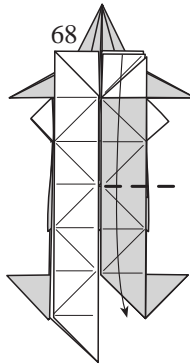

62
Dar la vuelta

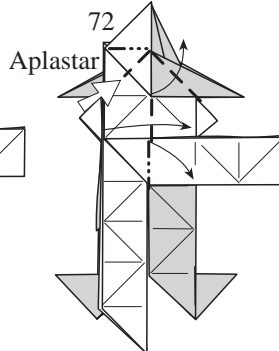

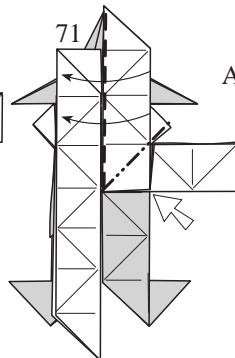

66
Abrir

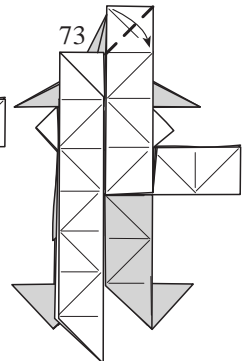

67
Meter hacia el interior

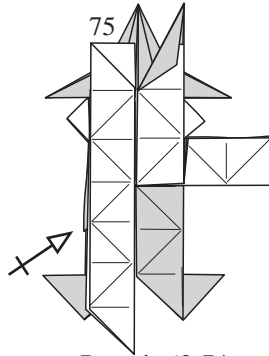

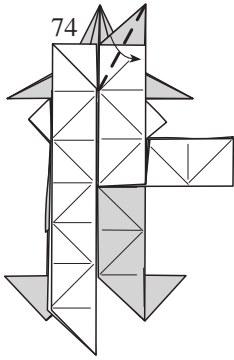

70
Sacar el papel

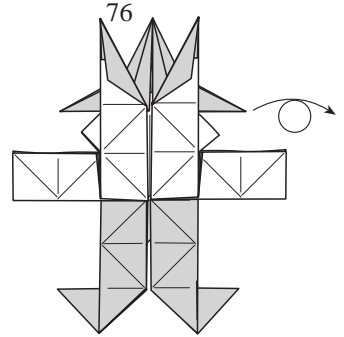

72
Aplastar

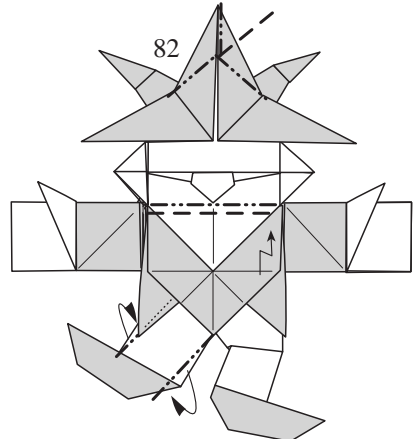

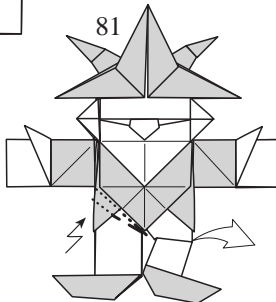

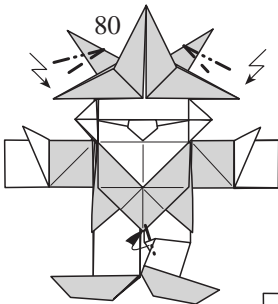

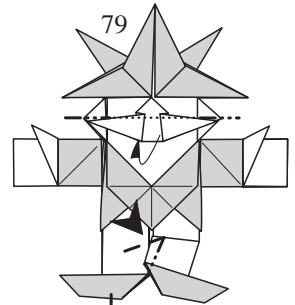

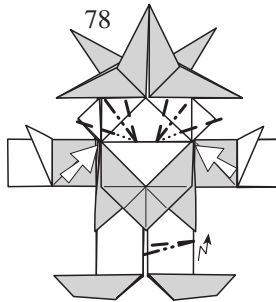

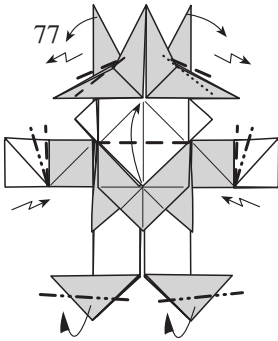

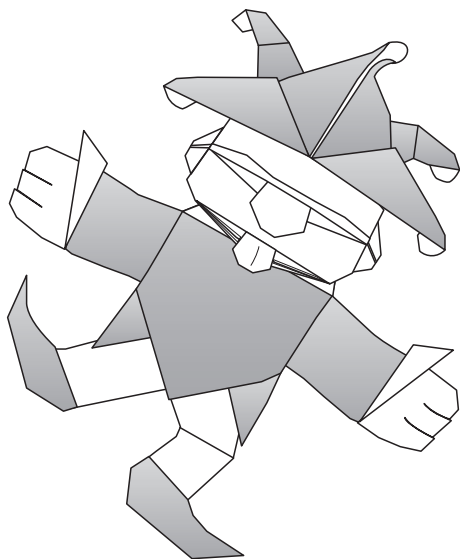

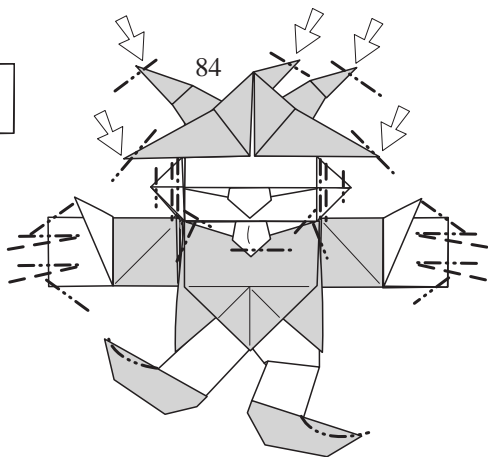

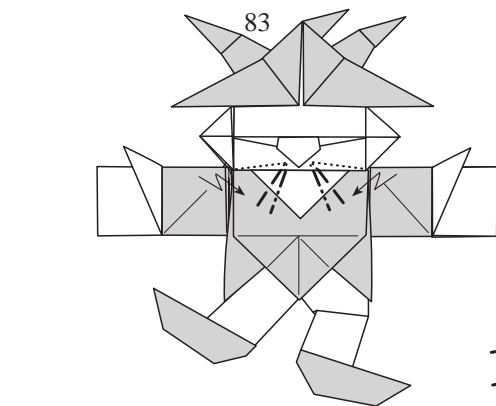

Repetir 63-74
simétricamente

Dar la vuelta

Este modelo lo diseñé porque un amigo tiene un grupo de música llamado “La Sangre del Bufón” y después de un concierto, me preguntó si era capaz de inventar un Bufón para el grupo. Me arriesgué (debido a la cervezas) y dije que sí. Así que estuve 15 días dándole vueltas pero al final a mi colega le gustó el modelo.
